AUTUMN WINTER '26

Autumn Winter '26

A SEASON SHAPED BY TOGETHERNESS,
WHERE INTERIORS BECOME INVITATIONS TO GATHER.

J-Line's Autumn-Winter 2026 Collection celebrates the art of togetherness. Each theme is an invitation to gather around a candlelit table, to sink into layered textures, to share warmth and laughter. This is a collection where every space feels alive with intimacy, where every detail whispers comfort, and where festive spirit is as much about the heart as it is about the décor.

In *What's Trending?*, bold, expressive atmospheres set the stage for celebration: *La Vie de Château* frames a long, luminous table for gatherings that feel both grand and intimate; *Rouge Couture* balances elegance and statement detail; *Tropical Teal* surprises with unexpected colours, natural accents, and golden touches; *Velvet Winter* envelops rooms in rich textures and deep, sumptuous tones; *Cabinet of Wonders* layers stories, textures, and metallic warmth; and *Pomelo Glow* radiates joy with vibrant florals and playful energy.

In *Kinda Timeless Already!*, enduring atmospheres offer familiar comfort with elevated style: *The White Lodge* wraps you in soft whites, faux fur, and light wood; *Cacao Bean* indulges in deep, comforting tones; *Golden Eve* glows with festive light; *Pumpkin Pie* fills spaces with autumnal charm and seasonal warmth; *Quiet Harmony* embodies calm, refined simplicity; *Inverno Verde* creates understated elegance through natural tones; *Le Refuge* invites intimate evenings by firelight, in rustic, enveloping comfort; and *Dear Santa* celebrates seasonal warmth with classic textures and cosy layers.

Autumn-Winter 2026 is about the magic of gathering. The warmth of shared moments. The luxury of feeling at home together.

The Art of bringing *people together*

There is a particular kind of beauty reserved for the colder months. It lives in the glow of candlelight reflected on glass, in the quiet crackle of a fireplace, in the gentle sound of voices gathered in one room. Autumn and winter are not only seasons. They are an atmosphere, a way of being together.

This season, the spirit of château life guides the design, setting the tone for a collection rooted in conviviality. La Vie de Château draws from a time when life unfolded around long, generous tables, where evenings stretched into night and every gathering carried a sense of occasion.

To gather is not simply to meet, but to share a moment suspended in time.

The collection translates this heritage into a contemporary language of interiors. Rich materials, from deep-toned woods to soft velvets and artisanal ceramics, create a layered sense of warmth. Colours echo the season: deep beiges, muted greens, and antique golden undertones, as if each piece has been touched by firelight.

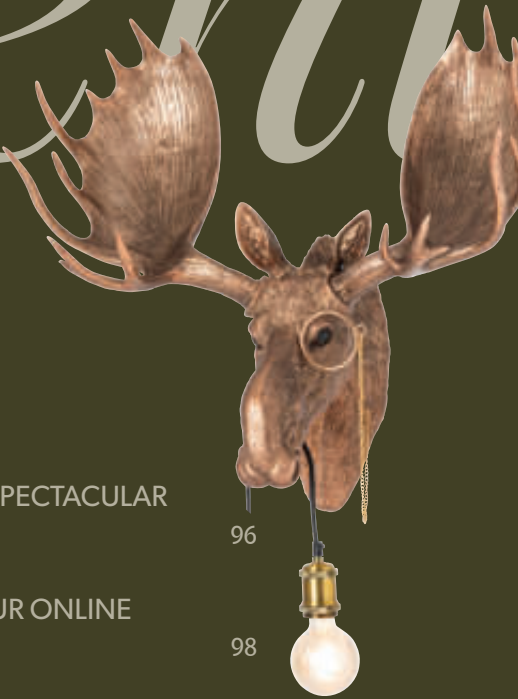

There is a quiet generosity in every detail. A table set with intention. A glass waiting to be filled. A blanket draped, ready to welcome. These are objects designed not for display, but for living – for the rituals, both grand and intimate, that define this time of year.

In the end, it is the atmosphere we remember.

**AUTUMN WINTER 2026

La Vie de Château

A place where past and present speak without words

An echo of centuries

Rough walls, gilded details, and green velvet draping the light. Crystal chandeliers tumble from the ceiling, Medici vases hold the weight of history, and every object tells its story. The mood is sumptuous, lived-in, tactile, a slow unfolding of textures, shadows, and old-world elegance that resonates long after the eye has moved on.

Confident and sophisticated

Colour, pattern, and shape collide with a sense of balance that feels completely natural. Lines are sharp but not harsh, contrasts are strong but never forced, and every detail has a voice of its own. There is an energy in the movement, a clarity in the design, and a quiet, magnetic elegance that stays with you.

Sharing, celebrating, glowing into the night

Teal everywhere. Ground, walls, sofa... a space wrapped in colour. The tree sparkles with exotic birds and feathers. Bright, luminous, modern. A feeling of sharing, laughter, clinking glasses. Colour isn't just decoration, it's joy. It's the energy of togetherness. It's the mood of a home that welcomes everyone to pause, celebrate, and shine.

As the days grow shorter, interiors take on a fuller, richer rhythm. Layers build naturally textures, tones, pieces that seem to have always belonged. The sofa becomes the centre of it all, drawing people in, holding conversations, quiet moments, and everything in between. It's a setting where comfort and character quietly shape the atmosphere.

Dear Santa

The room feels full, it must be Christmas.

Merry and bright

Big red bows, little hands reaching for presents, the tart cooling on the counter. Everyone gathers, talking, laughing softly, sharing good food and good stories. There's something festive in the air that draws us closer, reminding us of the joy in being together. Christmas is here, and everything feels just right.

J-LINE BY JOLIPA

Where ideas come *to life.*

Welcome to J-Line by Jolipa, a family-run business from Belgium that has been bringing creativity and joy to homes since 1978.

What makes us special?

With over 12.000 decorative items and home accessories, we offer a wide range, from cosy and classic to stylish and contemporary, and everything in between. Whether you're updating a single space or transforming an entire home, we have something that will make it shine. As an independent family business, we follow our hearts, trust our instincts, and sprinkle a bit of our own personality in everything we do.

Our home base in Tournai, Belgium, is where the heart of our creativity lies. Our 6.000 m² showrooms are where ideas take shape, and where you can get the first look at our newest collections. Each year, we launch our Spring-Summer and Autumn-Winter collections, giving our customers an exclusive preview of the latest trends for the upcoming seasons.

At J-Line, we believe in building lasting connections. When you work with us, you're more than just a customer; you become part of the J-Line family, where relationships matter just as much as our products.
